22 July 1949

2. About 300 troops, presumably recruits, were observed in basic training.

22 July 1949

3. Franz Josef Kaserne:

An ordnance repair shop with personnel wearing red-bordered black epaulets was observed in the kaserne. Most of the kaserne buildings were inhabited by civilians.

19 July 1949

4. The information on the Franz Josef Kaserne was confirmed by another source.

22 July 1949

5. Cantonment on the road to BISAMBERG (P 49/S 30): Only sentries were observed.

19 July 1949

6. Another source made similar observations at the cantonment.

7. Th. [REDACTED] was secured from an envelope of a captain belonging to an antiaircraft artillery unit in the Albrecht Kaserne.

25X1A

Comment: See Comment on a previous report which does not definitely state the assignment of the antiaircraft artillery units stationed in KORNHUBURG and GROSSEBACH. It is possible that component units of the 23rd AAA Div as well as the antiaircraft artillery regiment of the 13th Jds Wehr Div (2500th AAA Regt) may be stationed there.
